STUDENT ACCESSIBILITY SERVICES

LaSalle College Vancouver provides accommodations to qualified students with disabilities. The Student Accessibility Services office assists qualified students with disabilities in acquiring reasonable and appropriate accommodations and in supporting equal access to services, programs, and activities at LaSalle College Vancouver.

Students who seek reasonable accommodations should notify the Student Accessibility Services Director of their specific limitations and, if known, their specific requested accommodations. Students will be asked to supply medical documentation of the need for accommodation. Classroom accommodations are not retroactive, but are effective only upon the student sharing approved accommodations with the instructor. Therefore, students are encouraged to request accommodations as early as feasible with the Student Accessibility Services Director to allow for time to gather necessary documentation.

If you have a concern or complaint in this regard, please contact the Student Accessibility Services Director. Complaints will be handled in accordance with the school's Internal Grievance Procedure for Complaints of Discrimination and Harassment.
